What should the tag be like?

The diagram consists of three vertical panels. The left panel is light blue with a large, faint, light blue circle on the left side. The middle panel is light gray with a large, faint, light blue circle on the right side. The right panel is teal with a large, faint, light blue circle on the bottom right side. A large, faint, light blue circle is centered across the three panels, with its right edge overlapping the teal panel. The word 'Compact' is in the left panel, 'Reusable' is in the middle panel, and 'Cheap' is in the right panel. Below each word is a smaller word: 'SIZE' under 'Compact', 'BEACON' under 'Reusable', and 'RECEIVERS' under 'Cheap'.
